The Economic Club of Tampa strives to attract a diverse membership by age, background and profession, with an emphasis on identifying younger members so that the ideas and ideals of one generation will be passed on to the next generation.

Dues are \$160 per quarter, plus a one-time initiation fee of \$100.

These dues cover the cost of the weekly lunches and the two membership events annually.

The Economic Club of Tampa sponsors a weekly "Monday Meeting and Speaker Series" offering insights into the business, government and community issues that affects the Tampa Bay region.

We begin our lunch meeting at 12pm and dismiss promptly at 1pm.
