The Economic Club of Tampa strives to attract a diverse membership by age, background, and profession, with an emphasis on identifying younger members so that the ideas and ideals of one generation will be passed on to the next.

Dues are $200 per quarter or $800 if paid annually, plus a one-time initiation fee of $100. These dues cover the cost of the weekly lunches and the two annual membership events.

The Economic Club of Tampa sponsors a weekly "Monday Meeting and Speaker Series" offering insights into the business, government and community issues that affect the Tampa Bay region. A buffet luncheon is offered with the opportunity to network and fellowship among various business and community leaders. A presentation by the speaker is offered along with a question and answer session. We begin at 12 pm and dismiss promptly at 1 pm.

If you have any questions, please contact the Executive Director at econclubtampa@gmail.com
